TONINI PERFORMS

Raena Tonini performs two piano numbers for the Seminole Music Club at its October 8 meeting, held at the Women's Club of Seminole building. Mrs. Tonini is a local private piano teacher and the club's newest member.

Seminole Music Club's newest member, Raena Tonini, was featured at the 7:30 p.m. meeting Monday, October 8, in the Woman's Club of Seminole building.

Nadine Wilson, club president, welcomed the group and led in the recitation of the NFMC Collect to open the meeting. She accompanied the group in singing "Tramp! Tramp! Tramp!" the October 2012 song featured in the National Federation of Music Club's Together We Sing booklet. Jean Moffatt introduced and led the song.

Mrs. Tonini, a pianist and private piano teacher, performed two piano solos for the group. "Clair de Lune" by Debussy was performed during the administration of Calvin Coolidge, and "Moonlight Sonata" by Beethoven was featured during the Ronald Reagan administration.

Jean Moffatt, first vice-president, introduced and explained the numbers. This is the first of five programs taken from the club's course of study, Music at the White House, by Elise K. Kirk. This program covered international music, a Federation emphasis in October, and featured foreign-born composers.

Other musical numbers featured on the program were taken from CD recordings. They included "Hallelujah Chorus" from The Messiah by Handel, premiered during the John Adams administration; "La Traviata" by Verdi, performed during the James Buchanan administration; and Mozart selections of "Cosi Fan Tutte," "The Magic Flute" and "Eine Kleine Nachtmusik," performed during the Kennedy and Carter administrations.

Following the program, members enjoyed refreshments of coffee, punch, cake and Halloween candy from a table covered with a pale yellow cloth and centered with a ceramic jack o' lantern. Mrs. Moffatt was hostess. Those attending paid their annual dues. No business meeting was held.

The November 12 meeting, emphasizing the November Parade of American Music, will feature favorite patriotic music from eight American Presidents. Club members will perform, and the public is invited to participate.

Seminole Music Club is affiliated with the National and Texas Federations of Music Clubs.

Endurance. Just hearing the word makes you sweat.

Endurance describes a person with the ability or strength to continue or last, especially despite fatigue, stress, or some other adverse condition. It is the picture of bearing pain and hardships. One image that comes to mind is from the reality TV show "Survivor" where all the contestants were required to hold their arms up, seeing who could last the longest.

Have you ever tried that? Our arms are heavy! It was painful to watch the contestants stand there for hours, enduring the pain, determined to win.

But let's "Look unto Jesus, the author and finisher of our faith, who for the joy that was set before Him, ENDURED the cross, despising the shame, and has sat down at the right had of the throne of God" (Hebrews 12:2).

No one has held their arms up as long as Jesus.

He is the epitome of endurance.

He did it for a prize also. And that prize was the salvation of the world. "Who being the brightness of His glory and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high" (Hebrews 1:3).

I love what T.L. Osborn said: "Well, of course he sat down--there was nothing left for Him to do!"

Jesus endured until it was finished. He didn't quit early. He despised the shame, the pain, and the temptation to stop short.

If we will endure also, we will see similar results. The writer of Hebrews states, "If you will endure chastening, God deals with you as with sons; for what son is there whom a father does not chasten? Now no chastening seems to be joyful for the present, but painful; nevertheless, [after you have endured] it yields the peaceable fruit of righteousness to those who have been trained by it" (Hebrews 12:7,11).

Don't focus on the chastening or the pain (that which you are enduring through). Instead, focus on the results--the peaceable fruit of righteousness! Or we could say, the prize.

Those who endure, win. In fact, Jesus said, "To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne" (Revelation 3:21).

So keep enduring… A place has been saved for you in the winner's circle.
