Wingate: From Page 1

Seminole's Wingate by Wyndham is anticipated to be opened by the summer of 2013, according to project officials.

"Seminole is simply ideal for a Wingate by Wyndham hotel," said Keith Dial, Senior Vice President. "Wingate by Wyndham hotels provide travelers with high-tech amenities and top-notch service at an incredible value."

The development is receiving financial assistance from the Seminole Economic Development Corp., who in January of this year, agreed to agreed to the terms of a $750,000 incentives agreement, for a term not to exceed seven calender years.

As part of their agreement, SEDC officials presented a check in the amount of $50,000 on Tuesday morning following the ceremonial ground breaking of the project.

"We are excited to have you here in Seminole and look forward to seeing this (hotel) completed and open," said Michel Powers, President of the SEDC's Board of Directors in presenting the check to Tejani.

The SEDC, in the incentives package with the hotel developers, has agreed to the following payment schedule with hotel developers:

- $200,000 upon opening the Wingate by Wyndham;
- Up to $100,000 on each anniversary of opening for a term not to exceed seven years or a total disbursement of $500,000 based upon the following occupancy levels:

* Under 55 percent occupancy -- $100,000;
* Over 55 percent but under 65 percent occupancy -- $75,000;
* Over 65 percent but under 78 percent occupancy -- $50,000; and
* Over 78 percent occupancy -- $25,000.

According to project officials, the Seminole hotel development will feature over 3000 sq ft of functional meeting space, executive board room, fitness room, and a swimming pool.

According to the company's website, Wingate by Wyndham hotels feature an all-inclusive pricing policy, which includes free wired and wireless high-speed Internet access in guest rooms and public spaces, free faxes and photocopies, free deluxe continental breakfast, free local calls and long-distance access and free use of its 24-hour, self-service business centers. Hotel facilities include meeting rooms and a fitness room. Many hotels also offer swimming pools.

Notable dignitaries on hand included Seminole Mayor Wayne Mixon, Seminole City Administrator Tommy Phillips, representatives with both the Seminole Area Chamber of Commerce and Pow Wow Ambassadors, as well as officials with MTP Hospitality.
